

AFRICAN AMERICAN HISTORY: REMEMBERANCES

FEATURING LOCAL QUILTING
GROUP

About the Show

Come join us for a walk down memory lane as we visit the old home place re-created at 701 Main featuring quilts for beauty, a face or two from the past and objects from the home place that will take us back a few years. We may even see that old butter churn grandmother used or the saw that grandad used to cut wood to stay warm on cold nights in winter under that old heavy quilt.
